

# 4th Annual Hyde Park Trail

## end 2 end

### Walk • Hike • Run

## June 7, 2014

- You must sign in AND sign out at the Hyde Park Trails tent/ table, at the north end of the Vanderbilt parking lot. For safety reasons, this will help us keep track of who is on (and off) the trail route.
- Total hike distance is about 9 miles. Temporary mile markers are placed every half-mile along the route.
- You must bring everything you need for a 9-mile day of hiking, including water, lunch, snacks, tick repellent, rain gear and other hiking essentials. A cell phone is recommended. Be prepared and hike safely.
- Lunch and snacks are also available at the Wallace Visitor Center, at the 3.6-mile point.
- If you need to leave the hike, a free shuttle bus departs the Wallace Center at 12:10 and 2:10, for return to Vanderbilt. At other times or places, contact a hike leader. They can arrange a van pickup from other rest stops along the route. Be sure to sign out when you return to Vanderbilt.
